

Quassset School Advisory Committee
Woodstock Town Hall
Selectman's Meeting Room
Minutes of Meeting of
Nov. 18, 2015

Present- Myra Pratte, Elaine Lachapelle, Alan Walker, Val Law, and Irene Wheeler

4:01pm-Meeting called to order.

There was no correspondence.

Discussion of our need and the possible grant. We will not get a grant this year. Most of the money for grants is going for church window projects. Alan Walker spoke about going to a town meeting to release the \$20,000 to use for Quassset repair. The repairs could be done in two stages. First the windows and sills and second the shutters. Alan will let us know about a Town meeting it could be in December or January. The two front windows are done. We can invite bids because this is a specialty job.

We need to rope off the Quassset property again. The ground is soft and elementary school parents are parking and making ruts.

In the January meeting we will talk about the shutter and window projects.

This fall members spent 3 Thursdays going through the Quassset School items that are stored at the Historical Society. We should do a school item review over next summer and decide what needs to be back at the school and what needs to be secure.

Myra needs a 22x36 inch box. She will ask Light Impressions.

The Red/White school was open on October 18th. 34 people came. Elaine had created tri-fold documents containing information on each of the 17 one-room schools in town and an 18th to encompass all 17 schools. New Business--The meeting dates for the next year. We meet at the Town Hall Selectman's Meeting Room at 4:00 p.m. on Wednesdays.
